## CAD seminar - Wednesday, March 15th, 2023

## Agenda

Dear Sirs or Madams,  
Dear Colleagues,

we would like to invite you to our CAD seminar „vertebral body replacement (incl. percutaneous instrumentation)“ on Wednesday, March 15th, 2023.

As part of the event, we will explain and discuss indications, approaches and techniques of corporectomy and the use of thoracolumbar vertebral body replacement for inflammatory and tumorous diseases as well as fractures of the spine and test the corresponding techniques on the human specimen.

We look forward to welcoming you and wish you every success with the seminar!

Sincerely yours

Katrin Faust, Gerd Stumpp  
CEO HumanTech Spine GmbH
